The council of the municipality held its last formal meeting on the 6th October 2021. During the meeting the Mayor of Harry Gwala District Municipality, Mr Zamokwakhe Nxumalo thanked the council for the spirit in which it conducted the business over the last five years

The Mayor and The Speaker T.N Jojozi were also thanked by their colleagues for how they performed during their turn in office.

“I am very proud of the amazing work you have done in the last five years in council. When I came in two years ago, I found a working team and we continued with the work. I am very grateful,” said Mr Nxumalo.

The office of the Municipal Manager (MM), Mrs A.N Dlamini hosted a special council send-off luncheon where she also said praises on how for the past five years they worked as a team and achieved great results.

“If it was possible we could work together for the next five years with this council, unfortunately your term comes to an end. There is a lot of work you have put in and a lot of effort. What you have done is to change a lot of people’s lives by ensuring that you provide a service. The Mayor came in the last two years but he fit in just fine into our working plan and we are so grateful to him,” said Mrs Dlamini.

The term of the council is coming to an end before the November 01 2021 local government elections.
