AGE CATEGORIES

An athlete is not eligible for a prize in more than one age category, i.e. an athlete is only eligible for a prize in the age category applicable to him/her or the younger category chosen by him/her down to senior level provided he/she is wearing the relevant age category tag. An athlete, male or female, who finishes the race in first to tenth position, may, however, win his/her position prize as well as any applicable age category prize. Unless you specifically request in writing to HARRY GWALA DISTRICT MARATHON organizers to change your age category to a lower age category, you will be entered in the age category of your chronological age. Appropriate numerical age category tags must be worn on the front and back of the upper body garment. An athlete must provide positive identification to verify proof of age

Note: All prizes including prize money, trophies, and/or special medals will only be issued once drug test results have been received and subject to clearance. All prize money is subject to South African tax laws; this may take up to three (3) months to process.
